Dr Ross Walker

Dear Ross,

On behalf of the 2008 Conference Organising Committee and the Rotarians in District 9680 I wish to thank you for your contribution towards making our recent District Conference such a success.

Your Keynote Address on the Saturday afternoon was intended to motivate and inspire our 860 delegates and you certainly did that and more! We consider that you are significantly assisting us to retain our members by encouraging them to become healthier and stay alive longer! Where ever I have been on my Rotary duties since the Conference people have been telling me how outstanding your presentation was! I'm pleased that you sold so many books, CDs and DVDs. This was an excellent reflection of the impact of your message!

We have had some very complimentary comments about the Conference as a whole but overwhelmingly, the calibre of the speakers and how their messages related to Rotarians, was the aspect that delegates rated the most highly. So thank you again for helping us all to "Rev Up Our Rotary" in Bathurst in 2008!

Yours in Rotary,

Monica Saville  
District Governor 2007-08
